Notes:

We would appreciate volunteers to coordinate day walks and weekend trips (especially day walks). The responsibilities of the coordinator are not onerous, essentially acting as a focal point for the practical arrangements (note they do not lead the walks). Please contact any member of the committee if you can help or just want to know more.

Booking for weekend meets generally open on the 1st of the preceding month, by email to bookings@xxl.org.uk
Bookings may open earlier for trips further afield. The June and August weeks are already open for bookings.
For more information on the walks please contact xxlchairman@btinternet.com

Assess risks, stay safe and enjoy your hillwalking.
